For all job opportunities, contact Megan Gasaway at (614) 932-1323 or [mgasaway@aerotek.com](mailto:mgasaway@aerotek.com).

## Battelle | Columbus |

[www.battelle.org](http://www.battelle.org)

Battelle is an international science and technology enterprise that explores emerging areas of science, develops and commercializes technology, and manages laboratories for customers. Battelle supports community and education programs to promote an enhanced quality of life for our community neighbors. We're committed to making the world a better place through our work with government, industry and community in the key areas of: Energy, Health & Life Sciences, National Security, Laboratory Management, and Education. These key businesses integrate capabilities across Battelle, including the national laboratories we manage or co-manage for the U.S. Department of Energy and the U.S. Department of Homeland Security, to create greater value for our customers, the nation and, ultimately, the global community. Please visit our career site at [www.battelle.org/careers](http://www.battelle.org/careers) to apply directly.

## **Ben Venue Laboratories | Bedford |**

[www.benvenue.com](http://www.benvenue.com)

In 1938, BVL was founded by R. Templeton Smith. Ben Venue evolved into a major contract developer and manufacturer of parenterals. Today, more than 800 pharmaceutical products have been successfully produced by Ben Venue. In 1994, we created Bedford Laboratories, a division dedicated to the marketing of a select line of specialty injectables. In December of 1997, Boehringer Ingelheim Corporation purchased Ben Venue. At present, Ben Venue has the most experience among contract manufacturers to produce liquid or lyophilized sterile products.

*Recruiting for the following positions:*

Full time employment

Students whose major focuses in Chemical Engineering, Mechanical Engineering, Construction Engineering Technology, Chemistry, Biology, Biochemistry, Biopharmaceuticals, Information Technology, Marketing and Environmental Health & Safety.

Competitive pay in a success oriented company; outstanding benefit coverage for full time employees

## **COWIC-JOBLeaders | Columbus |**

<http://www.cowicjobleaders.org/>

Central Ohio Workforce Investment Corporation is Central Ohio's newest one-stop employment services provider. Our mission is to meet the employment needs of businesses and job seekers to support economic development in Central Ohio. JOBLeaders provides personalized job development and referral services. Services are free of charge for adult and youth customers who are newly entering or attempting

to re-enter the workforce. These services include technical support from knowledgeable staff in preparing or updating resumes, identifying skills from past jobs, volunteer work, hobbies, school or social situations.

## **Diagnostic Hybrids | Athens |**

[www.dhiosa.com](http://www.dhiosa.com)

Diagnostic Hybrids develops, manufactures, and sells innovative diagnostic products for a number of respiratory, herpes, and other viral and thyroid diseases. We also develop and commercialize cell-based detection products for the pharmaceutical industry, focusing on pharmacology assays and products that measure drug clearance and anti-viral interventions with drugs and vaccines. Contact: [jobs@dhiosa.com](mailto:jobs@dhiosa.com), [www.dhiosa.com/contact](http://www.dhiosa.com/contact), or (740) 589-3300 or (866) 344-3477.

## **Manpower Professional | Columbus |**

[www.manpowerprofessional.com](http://www.manpowerprofessional.com)

We lead in the creation and delivery of services that enable our clients to win in the changing world of work. Service highlights: Global network of offices, including more than 140 dedicated offices in North America; full range of flexible staffing options including contract, permanent placement, contract-to-permanent and payrolling; proprietary state-of-the-art support systems; a national database containing over 1.5 million current professional resumes; specialized e-learning, skills and knowledge assessments for our specialists and our customers; knowledge and skills assessments for our candidates and our customers' applicants; best-in-class vendor and resource management solutions. We specialize in the following areas: Engineering, Finance/Accounting, Information Technology, Scientific, and Other Professions.

## **Naturejobs | New York, Washington D.C., San Diego |**

[www.naturejobs.com](http://www.naturejobs.com)

*Nature* is the world's most influential and trafficked source of scientific information. Little wonder then that for the last 40 years *Naturejobs* has followed its lead as a world-class scientific recruitment resource. With the broadest spectrum (in all fields) of science, combined with our global reach and penetration, it's the first choice for jobseekers. From those embarking on a career in science to the most senior scientists. All content, job management tools and articles are free access. So it's much more than a plentiful job board.
