## **Affymetrix - Ohio (USB Corporation) | Cleveland |**

[www.usbweb.com](http://www.usbweb.com)

A division of Affymetrix, USB Corporation is an established supplier of reliable biochemicals and molecular biology products fueling innovation in both basic research and emerging technology areas of the life sciences. USB offers well-established brands such as ExoSAP-IT for PCR Clean-up, HotStart-IT Taq, FidelityTaq, Tested User Friendly (TUF) modifying enzymes, Sequenase, Thermo Sequenase and Ultrapure biochemicals. USB Corporation is ISO 9001:2000 certified, assuring the quality and service that our customers expect. Our Research and Development, Manufacturing, and Quality Control Groups strive to deliver the purest enzymes and reagents to meet your specific needs.

## **Ben Venue Laboratories | Bedford |**

[www.benvenue.com](http://www.benvenue.com)

In 1938, BVL was founded by R. Templeton Smith. Ben Venue evolved into a major contract developer and manufacturer of parenterals. Today, more than 800 pharmaceutical products have been successfully produced by Ben Venue. In 1994, we created Bedford Laboratories, a division dedicated to the marketing of a select line of specialty injectables. In December of 1997, Boehringer Ingelheim Corporation purchased Ben Venue. At present, Ben Venue has the most experience among contract manufacturers to produce liquid or lyophilized sterile products.
