## **Naturejobs | New York, Washington D.C., San Diego**

[www.naturejobs.com](http://www.naturejobs.com)

*Nature* is the world's most influential and trafficked source of scientific information. Little wonder then that for the last 40 years *Naturejobs* has followed its lead as a world-class scientific recruitment resource. With the broadest spectrum (in all fields) of science, combined with our global reach and penetration, it's the first choice for jobseekers. From those embarking on a career in science to the most senior scientists. All content, job management tools and articles are free access. So it's much more than a plentiful job board.

## **Ohio Bioworkforce Training Partnership | Columbus**

[www.bioohio.com](http://www.bioohio.com)

BioOhio and its partners have been awarded \$5,000,000 by the U.S. Department of Labor to implement a jobs training program to help meet the needs of Ohio's growing bioscience industry. Training for qualified participants will lead to industry-recognized certifications and associate degrees--qualifications that make them ready for entry level positions in pharmaceutical and medical device R&D and bio-manufacturing organizations. BioOhio will lead and coordinate the three-year program designed to help Ohio's displaced or underemployed workers from declining industries (especially automotive manufacturing and related industries) find new career opportunities. The program will train 660 displaced or underemployed workers. In addition 40 incumbent workers will receive more advanced training to move into higher level jobs.

For more information regarding qualifications and participation, contact Mary Benedict at 614.675.3686 or [mbenedict@bioohio.com](mailto:mbenedict@bioohio.com).

## **PharmaForce, Inc. | Columbus**

[www.pharmaforceinc.com](http://www.pharmaforceinc.com)

PharmaForce, located in Columbus, Ohio, is a leading developer and manufacturer of sterile specialty pharmaceutical products. In business since 1999, the company has achieved over 50 drug approvals. We continue to reinvest in R&D and have an ever growing product pipeline while concurrently expanding our sterile manufacturing capabilities.

*Recruiting for the following areas:*

- Research & Development – Formulation Chemist, Analytical Chemist
