## **Ben Venue Laboratories | Bedford |**

[www.benvenue.com](http://www.benvenue.com)

In 1938, BVL was founded by R. Templeton Smith. Ben Venue evolved into a major contract developer and manufacturer of parenterals. Today, more than 800 pharmaceutical products have been successfully produced by Ben Venue. In 1994, we created Bedford Laboratories, a division dedicated to the marketing of a select line of specialty injectables. In December of 1997, Boehringer Ingelheim Corporation purchased Ben Venue. At present, Ben Venue has the most experience among contract manufacturers to produce liquid or lyophilized sterile products.

*Recruiting for the following positions:*

Full time employment  
Students whose major focuses in Chemical Engineering, Mechanical Engineering, Construction Engineering Technology, Chemistry, Biology, Biochemistry, Biopharmaceuticals, Information Technology, Marketing and Environmental Health & Safety.  
Competitive pay in a success oriented company; outstanding benefit coverage for full time employees

[www.ctifacts.com](http://www.ctifacts.com)

CTI Clinical Trial and Consulting Services (CTI) is a specialty drug and market development company offering a full range of services that encompass the entire lifecycle of drug development. These services include regulatory pathway design, clinical trial management, data analysis, medical writing, CME and training program development, market analysis and development and other consulting services. CTI focuses on critically and chronically ill patient populations in the specific disease areas of solid organ transplant, hepatitis, infectious disease, hematology/bone marrow transplant and end-stage organ disease including cardiovascular disease, liver disease and kidney disease.

*Recruiting for the following positions:*

Clinical Research Associate

Please send resumes to: Human Resources, CTI, 10123 Alliance Rd., Cincinnati, OH 45242; Fax (513) 619-1935; Email [hr@ctifacts.com](mailto:hr@ctifacts.com)

## **Eurand, Inc. | Vandalia |**

[www.eurand.com](http://www.eurand.com)

Eurand is a specialty pharmaceutical company that develops, manufactures and commercializes enhanced pharmaceutical and biopharmaceutical products based on its proprietary drug formulation technologies. Eurand has had four partnered products approved by the FDA since 2001 and has a pipeline of product candidates in development for itself and its collaboration partners. Eurand's technology platforms include bioavailability enhancement of poorly soluble drugs, customized drug release profiles, taste-masking orally disintegrating tablet (ODT) formulations, and drug conjugation.

## **Hamilton County Super Jobs Center | Cincinnati |**

[www.superjobs.com](http://www.superjobs.com)

The SuperJobs Center is a one-stop job center created by the Workforce Investment Act of 1998 and funded through the federal Department of Labor. The Center houses many different partners who work together to provide employment services to both job seekers and employers. For job seekers, we offer a resource room with computers and fax machine, job leads, job readiness workshops on topics such as how to write a resume, and one-on-one career coaching. A career coach can assess if training will help you become more marketable in your job search, and if so, offer up to \$5,000 to help pay for your training. Call (513) 731-9800 or visit the website for more information.

## **Medpace | Cincinnati |**

[www.medpace.com](http://www.medpace.com)

Medpace is a full-service, global contract research organization with expertise in cardiology, endocrinology, and oncology. Established in 1992, Medpace manages global studies and regulatory submissions, providing clinical trial support in all phases of development up to and including submissions to regulatory agencies.

*Recruiting for the following positions:*
