Are you looking work in the exciting field of bioscience?

Join us this February for the 13th Annual Ohio Bioscience Career Fairs in central and southwest Ohio. A northeast Ohio event will be held based on demand from area employers.

These events are designed to match job seekers, ranging from recent graduates to experienced professionals, with Ohio's growing biomedical organizations featuring top employers in the biotech, pharmaceutical, R&D, and medical device industries.

Comments from previous career fair participants:

"I truly enjoyed being a part of the BioOhio Career Fair. I met many qualified people with such a wide range of skills, and it is always nice to collaborate with other bio companies around the area."

– Life Science IT company

"Thank you for creating the opportunity to attend the BioOhio career fair. I connected with a company, and have an interview tomorrow." – Job Seeker

Whether you're a recent or soon-to-be graduate or a seasoned bioscience professional looking for something new, these hiring managers want to meet **YOU!** The Career Fairs are **FREE** to attend for job seekers.
