Building your Bioscience Career with BioOhio

BioOhio connects and serves Ohio's bioscience community to drive success in improving global quality of life. Founded in 1987, BioOhio is a member-guided service supporting Ohio's bioscience community through networking, advocacy, events, talent, information, and cost savings. BioOhio represents nearly 400 members that employ over 100,000 Ohioans - from Ohio's largest employers to emerging start-ups, schools & universities, research institutions, students, and individuals. BioOhio helps members identify partners, attract investment dollars, save money through affinity purchasing programs, build professional networks, promote news and services, tap into talent sources, support educational programs, and advocate in front of state and local officials. BioOhio is the Ohio affiliate for global bioscience associations AdvaMed, BIO, MDMA, and PhRMA.
