

# Your Membership Organization

**BioOhio is the only statewide bioscience organization in Ohio.**

Founded in 1987, BioOhio is a member-guided, non-profit organization that connects and serves Ohio's bioscience community, supporting its members with beneficial services.

- **Networking**
- **Advocacy**
- **Events**
- **Talent**
- **Information**
- **Cost Savings**

BioOhio represents over 300 members that employ more than 100,000 Ohioans – from Ohio's largest employers to emerging start-ups, schools & universities, research institutions, students, and individuals.

Exclusively available to members, BioOhio savings programs save Ohio bioscience organizations millions of dollars every year, from vendors such as VWR, UPS, Chubb, Office Depot, and more.

To boost connectivity and industry education, BioOhio hosts events that provide exceptional networking and partnership building opportunities in addition to knowledgeable and influential industry speakers. BioOhio events include the BioOhio Patient Summit, FDA MedTech Regulatory Forum, Diversity in Bioscience Series, as well as socials, career fairs, legislative events, and member-driven webinars.

BioOhio proudly serves as the Ohio affiliate of national industry groups, namely, the Advanced Medical Technology Association (AdvaMed), Biotechnology Innovation Organization (BIO), Medical Device and Manufacturing Association (MDMA), and Pharmaceutical Research and Manufacturers of America (PhRMA).

Visit [BioOhio.com](http://BioOhio.com) to access *The Ohio Bioscience Report*, the state's most informative resource on Ohio's bioscience industry, and *The Ohio Bioscience Directory*, the most comprehensive database of Ohio's bioscience companies, suppliers, and service providers. BioOhio.com is also home to bioscience news from around the state, a member company job board, bioscience-related events in Ohio, educational resources, and more.
